The Honorable Lizbeth Benacquisto  
400 Senate Office Building  
404 South Monroe Street  
Tallahassee, FL 32399-1100

Dear Chair Benacquisto,

Pursuant to Senate Rule 1.43, I am filing a complaint with you as Chair of the Senate Rules Committee for the expulsion of Sen. Frank Artiles for the egregious comments I heard him make to Sen. Audrey Gibson and others at the Governor's Club Lounge on Monday, April 17.

Sen. Artiles referred to Sen. Gibson as a "bitch" and a "girl" during a late night tirade. He also referred to President Negron as "a pussy." I heard him use the word "nigger" when he was talking to Sen. Gibson and others about President Negron's election as Senate President. This was a reference to other Republican Senators who supported President Negron. Sen. Artiles claims that he used the word "niggas" when referencing the Senators in question.

Finally, Sen. Gibson told me Monday night that Sen. Artiles also called her "a fucking asshole" during an exchange I did not hear. I asked Sen. Artiles if he had said that, and he denied it initially, but then apologized for calling her "a fucking asshole."

Senate Rule 1.35, Legislative conduct, reads: "Every Senator shall conduct himself or herself to justify the confidence placed in him or her by the people and, by personal example and admonition to colleagues, shall maintain the integrity and responsibility of his or her office."

Sen. Artiles' conduct justifies expulsion from the Senate, a remedy that is available under Rule 1.43.

His behavior at the Governor's Club Lounge was a clear violation of Senate Rule 1.35, and the shadow he has cast over our chamber deserves the most severe punishment available. His publicly delivered comments were overheard by elected officials and citizens alike who were in attendance. These comments have now been widely reported by the state and national media, bringing more disrepute to the Florida Senate.
