Well, Happy Birthday even though it's a crazy and scary day!

Thank you. God bless you.

Are you guys staying or leaving?

Staying. My sisters apt was just built so my contractor husband says it's incredibly safe

Well that a good thing! We will be thinking of all of you down in the peninsula, although they keep shifting the track west so I guess we aren't out of the

I know. This is so crazy

[Redacted]

It's the worst case scenario For our state

Thanks for all your help pre storm.

Now is actually the tougher part probably

[REDACTED]

[REDACTED]

This is definitely the tougher part! We are working to get to the Keys, Miami and Collier to cut checks and help people get claims filed

So far I haven't heard complaint

So far I haven't heard complaint so I think things are going well

I land at 3 or so. Let's connect then

Sounds good.

Hi, I just got this now. Can I come meet you in the morning? I live in town and am happy to come downtown. Let me know what works for you.

I'll be at Capitol at 10. Can we meet somewhere downtown after 945. I'll be downtown until 2. So anytime

Absolutely. Let me know if the capitol is easiest or somewhere else downtown and I can meet you either before 10 or really anytime.

Thank you

I am headed downtown as soon as I wrap up my morning Irma update call. Should I come to your office?

Text me when you're there. I'm going to do a florida channel interview now and then I have a meeting with appropriations staff so I'll let you know where I am

Ok, sounds good

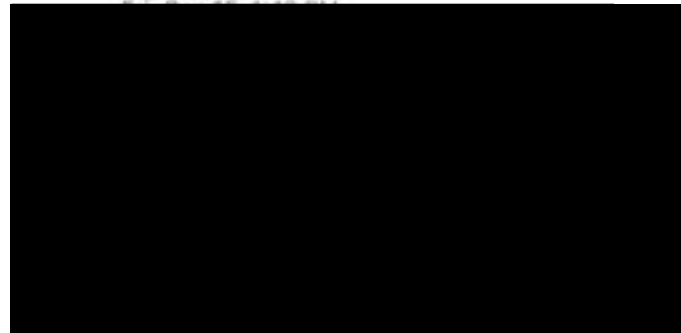

I am here.
